## Different types of dog walking

### **Loose lead walking.**

**Cost. R1 000 + R250 travel and treat cost per month.**

**60 minutes per lesson once a week.**

**Private training in your own home and/or dog park.**

This program includes:

#### ***Master the art of loose lead walking.***

**Loose lead walking:** This trains the dog to choose to walk calmly on lead, this is a nice skill to have for an informal walk, just to have a good calm relaxing walk with your fur buddy.

---

### **Walking at heel position.**

**Cost. R1 000 + R250 travel and treat cost per month.**

**60 minutes per lesson once a week.**

**Private training in your own home and/or dog park.**

This program includes:

#### ***Master the art of walking the dog at heel position.***

**Walking at heel position:** Traditionally, heeling means a dog matches its handler's pace and movements exactly, this is a nice skill to have if you want more control of the dogs' movements, in terms of staying super close to you.
